

NO MORE DEREGULATION!! NO MORE RUPERT MURDOCH!! NO MORE CLEAR CHANNEL!!! Enough is enough. How much more do these greedy, public-be-damned CONglomerates need? These are OUR airwaves. Why are we giving them away? "Economy of scale" is BS. The current braodcasters DO NOT serve the public's needs. We are lied to and cheated daily. Unfortunately, Americans have no knowledge of this because Fox "News" has become the model of "reporting". Send Rupert back to Australia and get Republicans out of the news laundering business.
